

Integrity

Our recommendations are personalized with your goals in mind. Estimates are free, and all work is guaranteed. We take pride in our work, and our integrity helps drive customer satisfaction time after time. Many customers refer us to others.

Trust

Whether a task is a simple repair or a full renovation, building trust is critical. Our goal is to earn your confidence through dependable, top-quality service. You can be assured the job will be done correctly. Our reputation depends on it.

Customer Service

As our customer, you are our most important asset. We aim for nothing less than 100 percent customer satisfaction. If you're not happy, we're not happy — so we solicit your feedback to help ensure we've met or exceeded your expectations.

Expertise

Our service technicians are thoroughly trained, and they also receive continuing education. We have the knowledge and expertise to handle all your plumbing needs — from complex repairs to high-quality, decorative fixtures.

Communication

We maintain clear, honest communication throughout your project. We offer valuable suggestions when it comes to aesthetics and plumbing options. We set short, convenient appointment windows, keep to our time commitments and inform you ahead of time if a delay should occur.

The BK Plumbing Service mission is to excel in providing superior professional and ethical plumbing services that consistently satisfy clients with top-quality plumbing solutions.

BK Plumbing Service

*Your Residential and Commercial
Plumbing Specialists*

A Reputation We've Earned

At BK Plumbing Service, we offer end-to-end, start-to-finish plumbing services from friendly, qualified experts. We have a solid reputation in the residential and commercial plumbing markets as a fair, honest, service-oriented organization that delivers the highest quality professional plumbing.

Through the years our business has grown steadily, primarily through referrals from satisfied customers. That's because we believe our customers are our most important asset.

Our wide range of contacts in the plumbing industry and related industries means we choose top-of-the-line plumbing products, from pipes to fixtures. We also maintain active membership in the Plumbing-Heating-Cooling Contractors (PHCC) association.

Family owned and operated, our business is licensed, bonded and insured. BK Plumbing Service, LLC, is a member of The Better Business Bureau of Central/Northern Arizona.

Well Trained, Informed Professionals

Our service technicians stay current on plumbing-related issues by participating in advanced educational training. They attend code classes through the PHCC association to keep up with the latest plumbing code changes.

Many plumbing product manufacturers offer periodic training for new and existing products, and our technicians frequently attend to increase their awareness and sharpen their skills.

Remodeling and Construction Services

If you're remodeling, customizing a new home or building a custom home, we have the plumbing talent and expertise you need! We listen to your requirements and work with you to give you superior plumbing solutions.

Sometimes the wide array of products and features makes selection difficult when making choices for a room such as a bathroom or kitchen. We encourage you to choose what is best suited for your décor and budget, and we will bring you a catalog or brochure to help.

Our connections with plumbing supply outlets and national brand-name manufacturers let us provide all the available choices for your project. With care, we install high-quality, aesthetically pleasing products from Delta, Price Pfister, Moen, Grohe, American Standard and others.

Words From our Customers...

Here's what some of our customers have said:

"Not only did he fix the problem, he spent several minutes talking with my neighbors and me about it, and was very careful in his description of services so that our HOA knows what the problem is as well. His attention and time were greatly appreciated!"

— *satisfied customer in Peoria*

"We give you a big A+ for:

- quick response
- service done
- professional
- kindness
- excellent servicemen

We most certainly will call again when we need help!"

— *satisfied customer in Phoenix*

"The service was prompt, performed exceptionally well and your charges within reason. It is a pleasure to do business with a company that is customer orientated, performs work of the highest quality and that does not try to take advantage of seniors as do many companies. I am well pleased with your company and do not hesitate to recommend your services to anyone that asks me for a referral."

— *satisfied customer in Sun City*

One customer called to tell us his BK Plumbing service technician did an excellent job replacing his water heater. He said the technician was very pleasant and courteous, providing outstanding customer service. This customer also stated that he would recommend BK Plumbing Service, LLC, to anyone needing plumbing service.
